Aerobics

It is very famous sport. Either beginner or advanced can visit aerobics lessons.

If I want compete, I go to the aerobics club. But I should start in young age. And in this age aerobics is famous sport. It has very difficult tricks.

One must exercise and practise few times a week. The one who starts doing aerobics is happy. Try it!

Show station

Their members: Jiří Hutárek (keys), Zbyněk Raušer (drums) and Jiří Stejskal (bass guitar), Hubert Drencher (trumpet, peruses, sing), Kateřina Klečková (sing), Jiří Kučerovský (solo guitar). Their music style was called Turbo jazz. They conducted on more diverse festivals. (For example: Slavkov, Jazz fest...) After Kateřina's leaving, Tereza Černochová came to group as a singer. Cooperation with her brought them much opportunity like presentations in hit parade Eso, appearance on programme Noc s Andělem and next tours.

Dizzy

Old group: Milan Nevídal (sing), Jarek Malý (electric guitar), Tomáš Pukl (bass guitar), Petr Herman (drums), Roman Jež (klávesy) and Leopold (Polda) Dvořáček (saxophone). I know this group, because the guitar player, Jarek Malý, is my father's friend.

Not long ago Milan Nevídal changed some members of group. Members of the new group are: Milan Nevídal, Petr Herman, Roman Jež, Radek Šebesta (guitar) and Marek Abraham (bass guitar) – both from group Zelená pára.

Their music style is rock. They usually play songs from foreign groups. They've conducted in more clubs in Brno, for example: Metro, Big Beat, Sedmé Nebe, Veselá Vačice...

And now my personal opinion: I think that old group was better... But it's only my personal opinion. They aren't bad but they aren't super anymore. It's a pity...

Their music style is something between rock and country. They play personal songs or songs from other singers but with their personal lyrics. Jiří Kubowský usually writes these lyrics. These groups usually conduct in Musilka, club Metro, Kinokavárna ...
