First day we visited Zoo, Grosser Stern Square with Winning arch, Bellevue castle (it is federal president's residency), Brandenburg gate (there is very nice statuary), quarter of the city Teagarden and Museum of waxworks. There were many famous persons from music, sport, policy, movies.... For example: Angelina Jolie, Brad Pitt, Justin Timberlake, Robbie Williams, George Clooney, Luciana Pavarotti, Sylvester Stallone, Josefina Baker, Billy Idol, Bonno, Kennedy...

In the evening we went to our hotel. rooms with WC and bathroom.

Second day we visited museum exhibition from Antique (we saw for example entrance to Babylon, excavations from Antique...). The next we were on sight – seeing on old East Berlin, the next we saw baroque Netherlands quarter (there became one interest: Boss of our magazine losted here her glove J ...). Our next visit was in TV tower. It is high about 300 meters. There was super outlook. And last we went to Dresden. We visited here Christmas market places.
